LOVE JUNKIES VOLUME 9 / FIN

FÉLICITATIONS POUR CE NEUVIÈME VOLUME !!

Miho est vraiment l'héroïne de ce volume et pour fêter cela, j'ai voulu la dessiner en tenue Gothique. Bon courage pour la suite des aventures de Love Junkies.

TOUTES MES FÉLICITATIONS POUR CE NEUVIÈME VOLUME DE LOVE JUNKIES

Hourra, hourra !
Vive ce neuvième volume !
Je suis vraiment très contente que mon personnage favori soit l'héroïne. J'ai donc dessiné Miho en style Lolita. Je suis désolée que le personnage ne soit pas très ressemblant. Bon courage pour la suite !

Yuka

Grrrr

J'ai dessiné Miho pour la couverture de ce volume. La prochaine couverture devrait être avec Emu. Je dois dire qu'en ce moment je manque de temps pour pouvoir mettre en scène de nouveaux personnages.

Le triangle amoureux formé par Eitarô, Emu et Miho va continuer encore un peu. J'espère que vous suivrez la suite des évènements.

Je suis super motivée pour ce dixième volume à venir, mais en relisant le volume 1, je me suis rendue compte que j'avais fait vraiment pas mal de chemin depuis ce moment-là. J'espère continuer sur ma lancée...
